Guest Speaker Lauren Nofsinger

Drawing on her experience as a lifelong Christian Scientist and former U.S. Army Chaplain, Lauren's talk titled *Effective Triumph: Demonstrating the Principle of Being*, focuses on how we, like Christ Jesus, can demonstrate the saving power of divine Principle, God, that "heals the sick, casts out error, and triumphs over death" (*Science and Health with Key to the Scriptures*, pg. 25).

Lauren will use examples from her own life highlighting the effectiveness of Christian Science nursing and Christian Science healing.
