

## Workshop Class Fees

**Understanding Medicare and Advance Directives ~ 1.25 hrs** **\$125**

Sunrise Haven's presentation includes:

- Medicare at Sunrise Haven – what a Christian Scientist needs to know to make informed decisions about enrolling in and using it
- advance directives – what they are and why they are important for protecting your healthcare choices as a Christian Scientist

**Responding to Accidents & Sudden Needs:  
A Christian Science Approach ~ 2 hrs** **\$250**

By attending this workshop, you'll learn how to:

- use Biblical models for guidance and comfort in emergencies
- be spiritually prepared when dealing with accidents and sudden needs
- help yourself and others in a practical and loving way

Hear how others have met their own and other's needs through their practical understanding of Christian Science.

**The Good Samaritan ~ 3-4 hrs** **\$350**

By attending this workshop, you'll:

- think about the mission of our church & what our Leader expected regarding helping others
- learn how to respond to the needs of others with greater ease and compassion using Christian Science nursing principles
- practice skills to help others

**The Spiritual Dimension of Care ~ 7 hrs** **\$750**

By attending this seminar, you'll learn about:

- the foundation of Christian Science nursing
- the *Church Manual's* provision for the Christian Science Nurse
- how this provision applies to you and strengthens the healing mission of our church

*Financial assistance is available if needed*
